LONE STAR DUAL CREDIT PROGRAMS

TWHS and Lone Star College offer several options for students to receive high school credit and college credit simultaneously.

Courses offered at TWHS are: English 3, English 4, US History, and College Algebra.

Students can additionally take the following Dual Credit electives on the Lone Star Montgomery campus: Psychology, Sociology, Law Enforcement, and Business Law.

Lone Star College also offers Dual Credit Work Force programs at TWHS and LSC in the following programs: Welding, Auto Technology, Certified Nurses Aide and Phlebotomy, and Emergency Medical Technician (EMT).

SPOTLIGHT ON EMT STUDENTS

TWHS seniors Katie Carder and Meghan Bygate are students in the LSC Emergency Medical Technician Dual Credit Program. At the end of the school year they will both be certified as Level 1 EMTs and will be eligible to apply for the Paramedic program. The EMT program is an intensely challenging learning experience that culminates in hands on clinical and field practice through Ambulance ride alongs and Hospital ER shift work. Students spend the first semester in lab courses applying knowledge to real life situations like using CPR, understanding and taking vital signs, and how to use a back board and neck brace for head and spinal injuries.

Carder and Bygate are both excited about their future opportunities and eager to learn how to help people in critical need. Carder hopes to pursue a career as a surgeon and Bygate as an ER Physician. Students interested in this program should consult with their counselor.
