Student Signature Parent Signature

Registration for 2016-2017 is a new two-step process. Students will complete a course selection worksheet along with online registration in Parent Access (PAC) and/or Student Access (SAC).

Step 1 – Complete The Woodlands High School 2016-2017 Course Selection sheet by Feb 19, 2016 and return to your Chemistry teacher.

Step 2 - Complete the online registration located in Parent Access (PAC) and/or **Student Access (SAC)** by Feb 19, 2016. This is the same location where parents and students view their class grades online.

• Refer to the Program of Studies for descriptions and prerequisites. Not all courses listed in the Program of Studies are offered at TWHS. Only the courses listed on this Course Selection Sheet are offered at TWHS.

• Core teachers will make advisements for next year based on current work ethic, attendance and academic discipline demonstrated this school year. These advisements are a guide; however, parent and student make the final decision of course choice.

• A total of 8 blocks must be selected, or 7 blocks if you select a double blocked course such as Band or Athletics. Choose a minimum of 4 alternates.

• An Advanced course agreement signature is required for each PreAP, Honors or AP course. The agreement will be available online in April and will be signed electronically. Paper copies will also be available in the Grade Level Office. Parents and student must sign the advanced course agreement in order for the student to be scheduled into an advanced course. **This is a binding commitment**. Written requests for changes, signed by parent or guardian, must be received in the Counseling Office by May 6, 2016.

H=one semester. H courses must be selected in pairs. If H courses are selected, please also select H alternates
