What is Dual Credit?

- Dual Credit is part of Lone Star College System's Exceptional Admissions program, usually designed for high school students who demonstrate college readiness.
- The Dual Credit program allows students to earn high school credit and college credit at the same time.

Benefits

- Studies show that participation in dual credit and AP opportunities increases the likelihood that a student will complete high school, persist in college and complete college.
- Provides an opportunity for students to transition into college level work while still having additional support at school and home.
- Many of the classes are fully transferrable to public colleges or universities in Texas

Dual Credit Courses Offered at TWHS

- English 3 = ENG 1301 & 1302
- English 4 = ENG 1301 & 1302 (for seniors who didn't take dual credit English their junior year)
- English 4 = ENG 2332 & 2333 (for seniors who took dual credit English 1301 & 1302 junior year)
- College Algebra = MATH 1314
- US History = HIST 1301 & 1302

****US History will be offered in CISD summer school. Location and dates TBA. See your counselor for more information.****

What You Need to Know
