

Set Up a College Visit

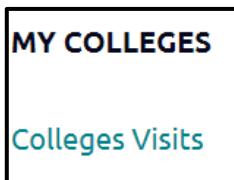

- **OFF CAMPUS COLLEGE VISIT:** Starting in the junior year students receive 2 school days per year for college visits. These visits will NOT be counted as absences for exam exemptions. To count an absence as a college visit day, the student needs to bring documentation of their visit to the attendance office.
- **ON THE WOODLANDS HIGH SCHOOL CAMPUS:** Students can meet with college representatives during the school day that travel to our school.

- In Naviance Student click on “Colleges I’m thinking about”

- On the left hand side of the screen find the link that says College Visits. Click on Colleges Visits to see which representatives will be on campus.

- Find the school that you want to meet with and choose Register Now
