Closed Campus Policy

Once a student arrives on campus for the school day, he/she will not be permitted to leave the campus without administrative approval. Students leaving school for any reason (doctor's or dentist's appointment, illness, etc.) other than a school-sponsored activity without checking out through the attendance office will be subject to disciplinary action. Check-out procedures must be followed even if the parents are aware that the student is leaving. *CISD Board Policy prohibits students from leaving the campus during the school day (including lunch).*

College Visitation

Whenever possible, college visits during the school year should be scheduled during school holidays and teacher workdays when students are not in classes. A college visit on a regular school day will require pre-approval. College visits do count as absences, and are counted against final exam exemptions. Seniors and juniors may have two absences per school year for the purpose of a college visit that will not count as an absence or against their final exam exemptions as long as they provide the Attendance Office with documentation on the college or university letterhead listing their attendance at the college. Please adhere to the following procedures for college visitations:

- Submit a signed note from your parent or guardian requesting the absence.
- Have two of your teachers sign the Pre-Approved Absence form. Return the form to the Grade Level Office.
- Bring the signed verification from the college you visited to the Attendance Office on the day you return to school.
